

FACTS ABOUT CREDIT RECOVERY

Credit Recovery IS NOT:

- A remediation program
- A replacement grade
- A one time test in the lab

Credit Recovery IS:

- A course with a separate number
- Numerous tests for mastery
- A program based on Tennessee Curriculum
- A separate grade on transcripts

Students participating in Credit Recovery:

- Have received a numerical grade of 50-69% in a course
- May recover only four credits in one school year
- Must receive a mastery of 80% on each Tennessee State Standard given for each course
- At the discretion of the principal, may be required to complete a research/term paper before recovering English 11
- Must complete all application requirements before being accepted into the program
- Must attend lab on a regular basis
