

Gallatin High School Summer Reading Program for all Standard Classes 9-12

Rationale:

The purpose of the Gallatin High School Summer Reading Program is to encourage and to instill a love of reading. For this reason, all students taking 9-12 standard English classes are to read one book of their choosing before returning to school in the fall.

Book Requirements:

This book

- * must be approved by the parent/guardian.
- * must be at least 150 pages.
- * must not have been made into a film.
- * must not have Cliff's Notes (or equivalent) available.
- * must be at the student's reading level.
- * must not be one that the student has previously read.
- must not be one of the books read to satisfy the requirements of any other department's summer reading.
