Reminder from the Director

- * Approved fees may be requested, but are NOT mandatory for any student regardless of financial status.
- * Participation in any class for credit (including Band, Chorus, and Theater) CANNOT be dependent on fundraising, the payment of fees, or by raising funds in any other manner either through the school or a School Support Organization (SSO).
- * Participation in a PTA/PTO/booster organization is voluntary. Membership dues may be requested. Participation in any instructional activity CANNOT be contingent on payment of fees to a SSO. A SSO may not request school or instructional related fees.
- * Club dues are to be voluntary and requested separately from class fees. Participation should not be denied to those students who are unable to pay the membership dues.
- * Fees are NOT to be used to purchase textbooks, basic equipment, or property; nor should they be used for salaries or anything else normally provided by the Board of Education.
- * Expenses incurred for fines, property damage, repair or replacement of equipment or supplies, etc. are debts to the school.
